Service includes Instagram account management and running promotional campaigns. Starts from the first actual post date on the account. A detailed campaign results report is provided at the end of the management period.</p>	1050 AED	Single (Instagram)	1050 AED	%30	735 AED

To ensure the best results for your ad campaigns, please review and agree to the following terms when requesting the Promotion Service:

1 Advertising Budget:

- Fees paid to the team are for (management, targeting, and follow-up)
- Ad spend is paid directly by the client to the platforms (Meta, Snapchat, TikTok, etc.) and is not part of the team's service fees

2 Ad Accounts & Access:

- The client must provide admin access to accounts to ensure smooth workflow. The client must personally add their payment method (bank card) through the link sent by the ad platform to protect their personal information.
- If the client's account was previously banned, the team is not responsible for unblocking it. A new account will be created if possible.

3 Quality of Ad Creativess :

- 70% of promotional results depend on video quality, design strength, and offer appeal.
- The team is responsible for optimizing targeting. Ad success is tied to the appeal of the product/service and its market competitiveness

4 Digital Platform Policies:

- The client must ensure the promoted material complies with advertising platform policies.
- The team reserves the right to refuse promoting any content that may lead to ad account suspension.

5 Adjustments & Optimization:

- Ad systems require a learning phase (3–7 days) to achieve optimal performance.
- Major adjustments are made based on data analysis and reports from the promotions department.

6 Results & Expectations:

- The team guarantees accurate delivery of ads to the target audience (Reach & Impressions).
- Sales numbers cannot be guaranteed, as they are tied to external factors such as price, customer service quality, and market demand.

7 Reporting & Transparency:

- The team is committed to providing periodic reports showing campaign performance (reach, clicks, engagement) to ensure budget transparency.

8 Package Duration:

- The package duration is one month only from the start of implementation and includes follow-up, implementation and delivery during that period. The package is considered terminated after the mentioned period.
